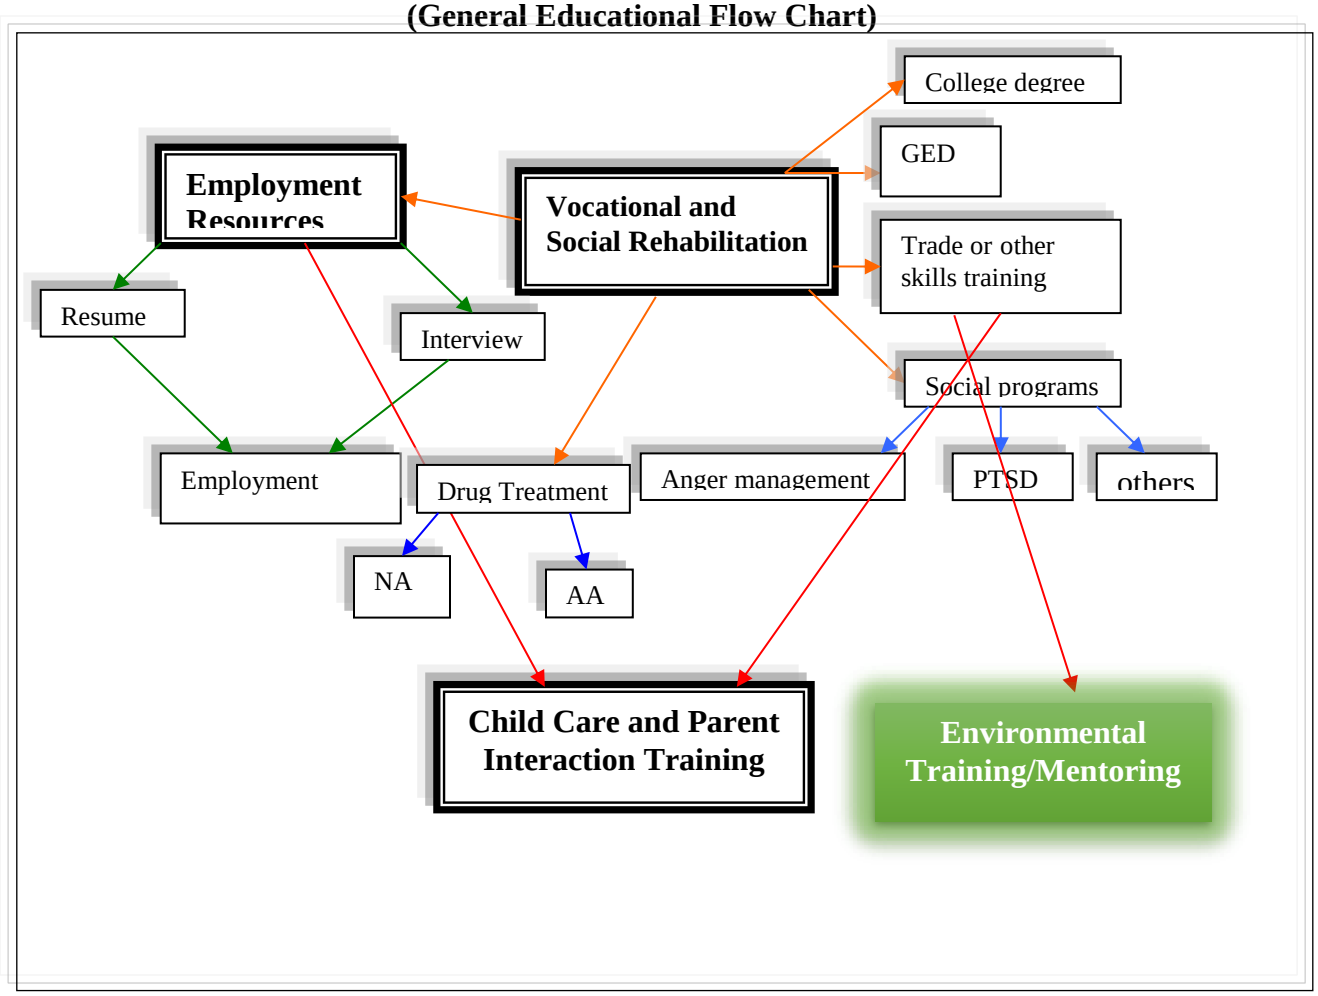
# JAPRI Community Outreach Program

## Developing *Good* Community Leaders
### (General Educational Flow Chart)



**General Educational Flow-Chart**

- Developing *Good Fathers* and *Community Leaders* require similar training characteristics.
- Vocational and Social Rehabilitation will assist participants overcome economic or physical/psychological limitations.
- Once those limitations have been addressed, participants can flourish in educational environments. Sometimes the limitations may require a great deal of work; thus, each participants will work at their own comfort level.
- **JAPRI** will provide participants with guidance associated with seeking and obtaining employment, as well as, identifying and addressing their specific community *Environmental Concern*.
- **JAPRI** will develop a *Child Care and Parent Interaction Training* module that the participants will be instructed by.
