- ❖ Brochure focusing on modular homes (2006); and
- ❖ Pitt County Animal Control Strategic Plan (2013)
- ❖ Dogwood Alliance video (2015)

Health

Currently excellent, yet has retired from EPA in April 2004 because of chronic pain in back due to an earlier bout with polio. Completely ambulatory, chiropractic treatments, and subsequent surgeries have led to reduction in pain to a manageable level.

Age/Race

59 year old Black man

Other

Speak French; also excellent writer, manager, and speaker; and promote organization—such as work and strategic plans. Delegates well. Spoke at conferences across US; dealt with State and Federal governments agencies; and local and national environmental groups according to the issues at hand.

Retirement (2004)

Participate in leadership role in Church and community, Pitt County Animal Control Advisory Board member and the City of Greenville Environmental Advisory Commission Chair; Cypress Group of Sierra Club Executive Committee, invited to be a member of the Dogwood Alliance Board of Directors; and developed the Jail And Prison Rehabilitation Information (JAPRI) Community Outreach Program.
